

Roses

The rose is one of the most popular flowers of all time! People love them. They love to give them. They love to receive them. It is the national flower. It is the flower that puts fear into the heart of all males of the species..for if roses are not appropriately given on Valentine's Day, a fellow can be in big trouble! Roses are beautiful flowers that are fun to arrange.... We have a number of floral digital "cookbooks" that feature this wonderful botanical!!
